

BUDGET LETTER

The proposed 2016 Town of Fowler budget includes budget sections for the town's general fund and each of the following proprietary funds: Sewer Fund, Water Fund, Sanitation Fund, Storm Drainage Fund, Natural Resources Fund. It includes sections for the Health and Safety Fund, Internal Services Fund and the Conservation Trust Fund as well as for three special revenue funds: Library Special Revenue Fund, Cemetery Special Revenue Fund and the Swimming Pool and Recreation Special Revenue Fund. The revenues and expenditures for each fund balance.

The budget provides for the regular operation of the town, debt payments, capital expenditures for equipment and capital expenditures for projects. The major change in operational costs in the various funds is an increase in employee wages by four percent.

Projects

Cemetery. Cemetery Special Revenue Funds are transferred to the general fund in the cemetery division to offset a major cemetery capital expenditure in an estimated amount of \$77,000 for the construction of a new sprinkler system from the east cemetery boundary to the boundary created by a north south running road one road east of the cemetery's main entrance road. The administration anticipates that this project will be completed no later than March 15, 2016. The remainder of the cemetery will have a sprinkler system installed as Special Revenue Funds become available.

Swimming Pool. A total of \$8,400 is budgeted for maintenance of the swimming pool.

Streets. The street sign replacement program will continue. This program will result in the replacement of all traffic control signs and location signs within the municipal limits to meet new sign reflectivity standards. All signs east of Main Street have been changed. The budget includes \$3,500 to continue replacement of signs west of Main Street. The budget provides \$8,000 for preparation work required prior to chip sealing streets. This work will include crack sealing. Crack sealing must be in place for a year prior to chip sealing a street. The street budget also provides \$2,000 for pothole repair.

Criminal Justice. The budget includes funding for three full time and one-part time police officers, a municipal judge and a part time municipal court clerk. A total of \$30,000 will be transferred out of the Health and Safety Fund to purchase a new police vehicle. This is part of a program established four years ago that provides for three new police vehicles to be purchased during each four-year period. The town then makes quarterly payments into the Internal Services Fund to build up the fund so new vehicles can be purchased in the future.

Library. The general fund will transfer \$20,000 to the Special Revenue Library Fund. In addition, the Special Revenue Library Fund uses its portion of sales tax revenue to offset library expenses. This allows the library to maintain library staff and to purchase books and other library resources for use of its patrons.

Sewer. A total of two-million dollars is budgeted for a major sewer lagoon project mandated by the Colorado Department of Public Health and Environment. The project will reduce the size of the lagoons and increase air flow through the lagoons to provide significantly improved wastewater treatment. The project will bring the town into compliance with CDPHE and EPA rules and regulations for ammonia, provide sanitation treatment for effluent water as it leaves the lagoons and enters the Arkansas River. A grant of \$600,000 from the Department of Local Affairs and a \$1.4 million loan are providing project funding. The existing sewer facilities fee offsets loan principal and interest payments.

Water Fund. The Colorado Department of Health and Environment has mandated the town to either replace its potable water sources or install additional surface water treatment facilities. Fowler tested three existing town wells. None of the tested wells is capable of being used for potable water. The town must now move expediently to construct a surface water treatment plant at the existing water tanks. Present cost estimates for this project is \$474,000 which is included in the budget. The town has applied for a grant to offset much of the cost. However, it will not be known if the town will receive the competitive grant until January. This is a priority project in order to comply with CDPHE rules.

Conservation Trust Fund. Conservation Trust Funds may be used for purchase of capital items for parks and recreation and for maintenance of parks. It may not be used for operational costs or for consumable item purchases. The budget includes \$4,200 for swimming pool maintenance, \$1,500 for Fowler recreational and \$1,500 for the golf course.

Public Works Equipment. Public Works has two major pieces of equipment used regularly: a backhoe and a vac truck used for sewer cleaning operations and utility line location. Currently, the backhoe is used primarily at the cemetery. It is also used for sewer and water system maintenance. The existing backhoe needs to be replaced. The budget includes \$90,000 estimated loan revenues to purchase a backhoe and an expenditure of \$90,000 for the backhoe. Revenues for principal and interest payments are budgeted out of the Cemetery Special Revenue Fund, the Water Fund and the Sewer Fund. The budget provides for a water and sewer rate increase of \$1.15 to offset principal and interest payments on the backhoe loan.

Respectfully Submitted

Terry Martin, Budget Officer, and
Daniel R. Hyatt, Interim Town Administrator

RESOLUTION NO. 950-15

A RESOLUTION ADOPTING THE 2016 BUDGET AND APPROPRIATING SUMS OF MONEY FOR THE VARIOUS FUNDS AND SPENDING AGENCIES, IN THE AMOUNTS AND FOR THE PURPOSES SET FORTH BELOW, FOR THE TOWN OF FOWLER, COLORADO, FOR THE 2016 BUDGET YEAR.

WHEREAS, C.R.S. §29-1-108(2) requires local governments to adopt an annual budget and make appropriations for the budget year; and

WHEREAS, the Board of Trustees of the Town of Fowler desire to adopt a budget for the 2016 budget year; and

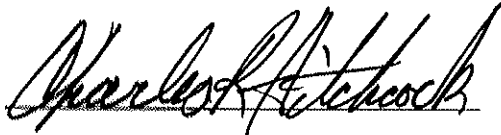

WHEREAS, the Board of Trustees of the Town of Fowler desires to appropriate sums of money for the various funds for budget year 2016.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Town of Fowler as follows.

1. The Board of Trustees having published notice of a budget hearing and having conducted said budget hearing pursuant to C.R.S. §29-1-106 and having considered all public comments on the budget hereby adopts the budget for budget year 2016 attached to this resolution, labeled as Exhibit "A" and incorporated in this resolution as though fully set forth herein.
2. The following sums are hereby appropriated from the revenue of each fund or spending agency for budget year 2016 as set forth below.

FUND	REVENUES	EXPENDITURES
General Fund	\$534,638	\$534,638
Water Fund	\$1,683,507	\$1,683,507
